Notice

Subject: - Non Payment of Society Dues

Dear Members,

It has been noted that few members are delinquent in making payment of society dues in spite of knowing the fact that society does not earn any profit from the maintenance charges or monthly charges. The funds are utilized towards payment of common services provided by the society to members.

So far, Management has not taken any stringent action against the defaulters. All defaulters are requested to pay their dues by 15th November 2026.

After due date management will have to write to the Registrar Cooperative Societies requesting him to take strict action against the defaulters to recover the society dues
